CAPABILITIES STATEMENT

ABOUT US

As a minority-owned **Alaska Native Corporation (ANC)**, small disadvantaged business (SDB), Arctic IT Government Solutions (AITGS) is committed to providing exceptional products and services to the federal government.

AITGS' focus for federal agencies is on improving efficiencies in daily IT operations, increasing user adoption of innovative cloud services, modernizing legacy solutions, and securing IT solutions by implementing and operating the latest cybersecurity software.

AITGS is a new federal contractor with a deep network of resources built on decades of experience in both Federal Civilian agencies and the U.S. Department of Defense (DoD). We are committed to providing exceptional products and services to the Federal Government which exceed your current business needs and position you for growth into the future.
