CAPABILITIES STATEMENT

ABOUT US

Arctic IT Government Solutions (AITGS) delivers secure, scalable IT services to federal agencies to help them modernize legacy systems and accelerate cloud adoption.

Backed by Doyon Technology Group (DTG), AITGS leverages the combined resources, expertise, and capabilities of our sister companies, Arctic IT and designDATA. Our **ANC 8(a) company** combines innovation and cultural heritage to drive impactful, mission-focused outcomes, with streamlined federal procurement.

CLIENT EXPERIENCE

Federal agencies can utilize the Small Business Administration's (SBA) 8(a) program to procure sole sourced awards without a J&A up to $100M for Department of Defense agencies and $25M for Federal Civilian agencies.

Transforming Federal IT with a Purpose-Driven Edge

APPLICATION MODERNIZATION

- Reduced Technical Debt
